### 911 We Will Never Forget!

"Time is passing. Yet, for the United States of America, there will be no forgetting September the 11th. We will remember every rescuer who died in honor. We will remember every family that lives in grief. We will remember the fire and ash, the last phone calls, the funerals of the children."

- President George W. Bush,

We hope you all have a safe and happy Labor Day and join all of us in the honoring of all families of the 911 tragedy, but also remember all the heroes that stepped up when we needed them!

During these difficult times many of our customers have reduced the amount of coffee supplies they keep on hand by ordering less than normal. We understand the situation and agree with the decisions.

Our problem now is that more calls are coming to us for "emergency" deliveries. Check your monthly calendar for our next delivery date and plan accordingly.

Although we sympathize with our customers and in the past have never charged for these deliveries we will have to start by billing \$10.00 for each of these emergency deliveries.

Many thanks for your understanding of this situation.

### Referral Program:

If you refer our coffee services to another business we will in turn give you personally a case of Café to You Coffee. The best way to refer is to email me at [runger@goodmanvending.com](mailto:runger@goodmanvending.com), or you can call the office 1-800-328-3631, or even let our coffee team member know. We sign you WIN!

## Coffee Humor

Summer vacation was over and the teacher asked Little Johnny about his family trip. "We visited my grandmother in Minneapolis, Minnesota."

The teacher asked, "Good, can you tell the class how you spell that?"

Little Johnny said, "Actually, we went to Ohio."

A mom is driving her second-grade daughter and two of her friends to school one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started talking about what the dog's duties were.

One little girl said, "They use him to keep crowds back."

"No," said another, "he's just for good luck."

The daughter said, "No! No! They use the dogs to find the fire hydrants."
