## Coffee Corner

### Happy New Year!

We have been busy at Café to You by Goodman, over the last year going through some minor, internal re-structuring and assessment plans due to the latest increases in coffee prices on the market. Due to this gradual yet steady increase, we have unfortunately been forced to equally increase our coffee costs.

We have studied the situation in depth and we understand the strain this can put on you when done suddenly. Unfortunately we have been put in a situation where we have to. We are going to increase our current Café to You House Blend to \$33.50 for Regular and Decaf to \$36.50. In order to put less pressure on our valued and loyal customers we will be introducing a new price point coffee, Café to You Plantation. For those who enjoyed our House Blend, you have an opportunity to try our new coffee. The Café to You team will have samples upon request.

We will be sending a letter out before we make any changes. Please read through our letter regarding the price changes and should you have any questions, please do not hesitate to contact us. We thank you for your understanding and look forward to continuing our successful business together for many more long years to come.

#### Referral Program:

If you refer our coffee services to another business we will in turn give you personally a case of Café to You Coffee. The best way to refer is to email me at [runger@goodmanvending.com](mailto:runger@goodmanvending.com), or you can call the office 1-800-328-3631, or even let our coffee team member know. We sign you WIN!

## Coffee Humor

### New Year's Eve party

The New Year's Eve party had turned into a regular marathon with numerous guests coming and going.

At one point, a man knocked on the door, was greeted heartily although no one knew who he was, and was led to the bar in the basement.

He sat there happily for a couple of hours before a strange light dawned on his face. "You know," he confided to his host: "I wasn't even invited to this party. I just came over to tell you that some of your guests' cars are blocking my driveway."

The guest continued: "My wife's been sitting out in the car waiting for me to get them moved."
