Café to You Recipes

July is knocking on our door; it is hard to believe we are already in summer. I thought for this month I would give you a couple iced coffee and tea recipes. Don't sacrifice your cup of coffee or tea just because the weather is too warm.

Coffee with Flavored Ice

Ingredients:

Any flavor Liquid Coffee Creamer
Regular coffee
Ice cube tray

Instructions:

1. Pour your favorite flavor of Coffee-mate into ice cube trays.
2. Put the trays in the freezer until frozen.
3. Brew coffee as you would regularly do.
4. Add frozen creamer cubes to taste.

When the creamer cubes melt you will have a wonderful flavor instead of that usual watery taste!

We hope you are happy with your coffee service, and if you let your friends or business associates know, we will reward you. If you refer and we contract a new customer to Café to You by Goodman we will in your next delivery drop off a FREE case of your coffee. It is that easy.....

Coffee Humor

"Stop drinking coffee for a week, then start drinking it again. It's the same effect as rebooting your computer."

Coffee Thermos

A guy walks into Dunkin' Donuts. He says, "Excuse me, miss. How many cups of coffee do you think this thermos will hold?"

She says, "I think it's a seven-cup thermos."

He says, "All right...give me two black, three cream and sugar."

What's New!

Why stop at the convenience stores when for ½ the price you can have it all in your breakroom?
