Single Cup Coffee Systems:

According to National Coffee Association USA the interest over the years in single serve systems has increased. Among the report's findings, awareness of single-cup brewing systems has increased to 73% in 2011 from 55% in 2007. Those who have installed a system within the last six months grew to 35% this year from 29% in 2007. Perceptions of the single-cup systems are becoming more favorable as well. Those who rated the systems as excellent or very good jumped to 45% this year from 26% in 2007. Positive responses to "I have heard positive comments about this brewer from friends and family" increased to 46% this year versus 33% in 2007.

Café to You has several of the systems in place. If you would be interested in talking to someone to enhance your coffee experience, please ask your Café to You Team member.

Thanksgiving Humor

1. During the middle of the meal, turn to mom and say, "See mom, I told you they wouldn't notice that the turkey was four months past its expiration date. You were worried for nothing."
2. When everyone goes around to say what they are thankful for, say, "I'm thankful I didn't get caught" and refuse to say anything more.
3. Load your plate up high, then take it to the kitchen, toss it all in the blender, and take your "shake" back to the table. Announce that it's the new Thanksgiving Weight Loss Shake.
